No. 2710—*Ml.* 559-07-47, *dated 16th September* 1909.

Whereas by a proclamation of the 20th March 1909, published on the 8th April 1909 at page 453 in English and at pages 174-5 in Kannada of the *Mysore Gazette*, Part II of 1909, it was duly announced under Section 8 of the Municipal Regulation, VII of 1906, that it was proposed under Section 4 of the said Regulation to constitute the town of Closepet the local area comprised within the limits specified in that proclamation, into a Municipality, and whereas no objections have been made to the said proposal, the Government of His Highness the Maharaja are pleased, in exercise of the powers conferred on them by Section 4 (i) of the said Regulation, to constitute the said Closepet Town into a permanent Municipality and to declare that the boundary of the said Municipality shall, on and from the 1st October 1909, be as shown hereunder :—

I. The boundary line of the town of Closepet commences at the north-western corner of Survey No. 168, touching the Mysore-Bangalore road and runs along the western boundary line of Survey Nos. 168, 169, 170, 171, 172 and 173, where it crosses the "voni" leading to Amanikere of Kottipur village, runs along the western boundary of Survey Nos. 186 and 32. Here it turns towards the east and passes along the western and a portion of southern boundary of Survey No. 32 till it crosses the "voni" leading to Kottipur village, from thence it continues to run along the western boundary of Survey No. 31 till it crosses the Mysore-Bangalore Railway line and then it skirts round the Holagere, running along the southern boundary of Survey No. 30, along the western boundary of Survey No. 203, crosses the foot-path to Hunasanhalli, turns to the west and runs along the western boundary of Survey Nos. 103 and 29 till it reaches the northern boundary of Survey No. 73 and crossing again the above said Railway line it meets Survey No. 72 at its north-eastern corner. The line then turning southwards continues to run along the eastern boundary of Survey Nos. 72, 71, 27 and 63 bordering all along the Mysore-Bangalore Railway line, and joins the north-eastern corner of Survey No. 62.

II. From this point the line continues to pass along the northern boundary of Survey Nos. 62 and 52, crosses the "voni" to the river Arkavati, skirts on the southern, eastern and northern boundaries of Survey No. 51, crosses another "voni" to the river Arkavati. The line then skirts on the southern, eastern and northern boundaries of Survey No. 26, passes along

the eastern boundary of Survey Nos. 25 and 23 crossing another "voni" between these two numbers. It runs along the northern boundary also of Survey No. 23, till it crosses the "voni" to the river. Thence it passes along the southern boundary of Survey No. 22 crosses the "voni" to the river, passes along the southern and eastern boundary of Survey No. 20 and along the eastern and northern boundary of Survey No. 19. It skirts on the southern, eastern and northern boundary of Survey No. 17 and continues to run along the eastern boundary of Survey Nos. 16, 15, 14, 11, 10, 9 and 8 after crossing two "vonis" to the river Arkavati, between Survey Nos. 14, 11 and 10. The line then skirting on three sides of Survey No. 33, passes along the north-eastern boundary of Survey No. 116 along the eastern and northern boundary of Survey No. 7 and along the southern, eastern and northern boundaries of Survey No. 6 where it meets the Mysore-Bangalore road near the bridge across the river Arkavati.

III. The boundary line then crossing the Mysore-Bangalore road, passes along the western boundary of Survey Nos. 117 and 118 and along the eastern bed of the Arkavati till it meets the south-western boundary of Survey No. 119. From this point, it runs along the western boundary of Survey Nos. 119 and 5. The line then turning to the east passes along the southern and eastern boundary of Survey No. 120 and along the eastern boundary of Survey Nos. 123 and 124 after crossing the "voni" to the river, between the above said two numbers. The line then turns to the east and passes along the southern and eastern boundary of Survey No. 4 crosses the "voni" to the Arkavati, passes along the southern and eastern boundary of Survey No. 133 and along the eastern boundary of Survey No. 136 crossing again the "voni" to the river, passes along the southern boundary of Survey No. 139 and runs along the western and northern boundary of Survey No. 1 and continues to run along the southern boundary of Survey No. 140 and running to some distance along the foot-path to Vaderhalli, it crosses the said foot-path and passes along the northern boundary of Survey No. 141; the line then crosses the Mysore-Bangalore road and meets the north-western corner of Survey No. 168.

From this it will be seen that the town of Closepet will include the undermentioned lands.
